We hold two Social evenings a year and the Spring Event is when we raise money to donate to a charity for example Diabetes UK and the Barbados Diabetic Association (2009)

The Barbadian Community and Friends Association Coventry is a member of the Coventry West Indian Community Association.

The Coventry West Indian Community Association held a Dance on the 13<sup>th</sup> February at the Coventry West Indian Centre, 159 Spon Street, Coventry and raised approximately £2,000 for the Haiti Disaster.

One person has travelled to Haiti via the Dominican Republic to see at first hand the conditions in Haiti.

An orphanage has been identified which we will in future support through donations as ongoing support of some of the children of Haiti.

We are seeking further donations of money, non-electrical tools, medicine, toiletries, stationery for schools, tents and any other suitable items to send to Haiti.

This we are doing by contacting various firms for donations of the items mentioned above and any other suitable donations to help the Haitians rebuild their lives, homes and communities.
